Part A: Block wise description of College Physical Infrastructure:

ADMINISTRATIVE BLOCK

Administrative block is L shaped single storey building, holding Principal chamber with attached pantry, washroom and waiting room. Staff room for faculty with seating capacity of around 50 with washroom, accounts section, office of the Section Officer, with attached washroom are also part of the block.

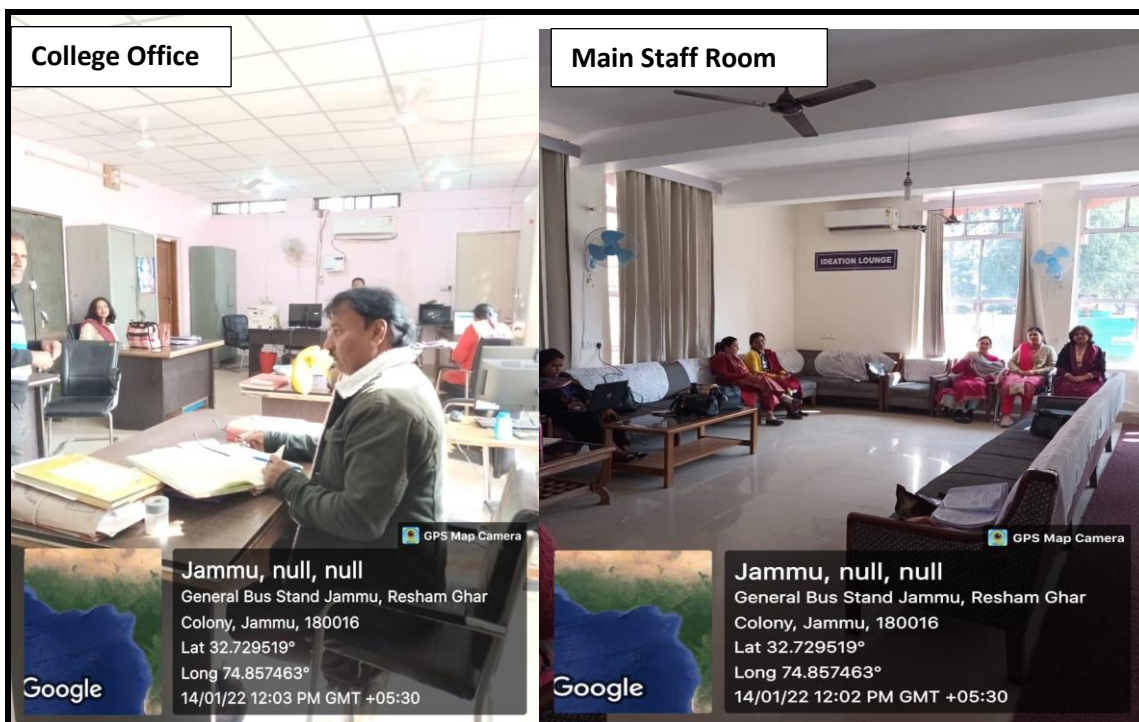

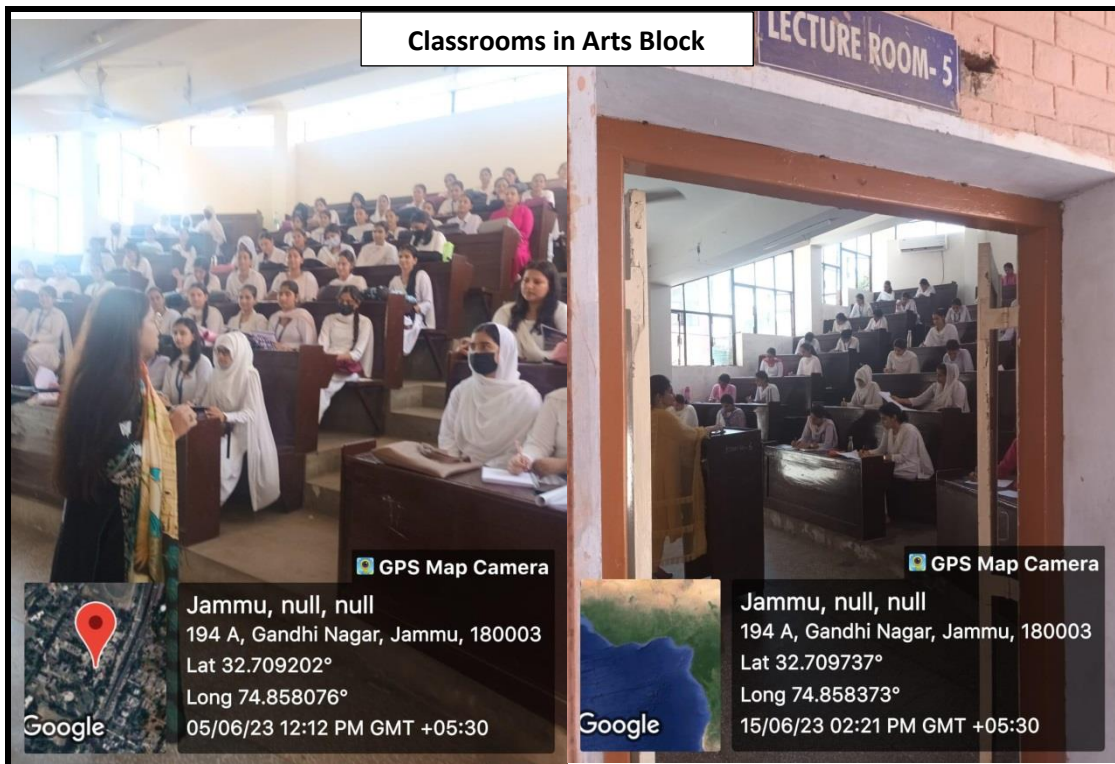

Table: Room wise details of Administrative Block

S. No	Utility	IT facilities	Remarks
1.	Principal Chamber	BSNL broadband facility available/ 1 Computer with printer	Well furnished, Air conditioned, with attached washroom, pantry and waiting room
2.	Section Officer Room	Internet Broadband/ 1 Computer with printer facility available	Well-furnished air conditioned, with attached pantry
3.	Office	Broadband/ 3 Computers with printer	Well-furnished and air conditioned with attached washroom
4.	Accounts section	Broadband/Computer	Well-furnished.
5.	Staff room	Broadband Wi-fi facility available	Well-furnished and air conditioned, seating capacity around 50
6.	Pantry/Kitchen	Nil	For staff
7.	Toilet	Nil	For female staff

ARTS BLOCK

It is a two storey building, holding 15 classrooms, all spacious, 35'X24' in dimension (seating capacity of around 80 students each room), 1 computer lab, 1 staff room, NSS room, Examination section, Career counselling cell, University section, Fee Counter, IGNOU study centre, Medical room and a toilet complex for students.

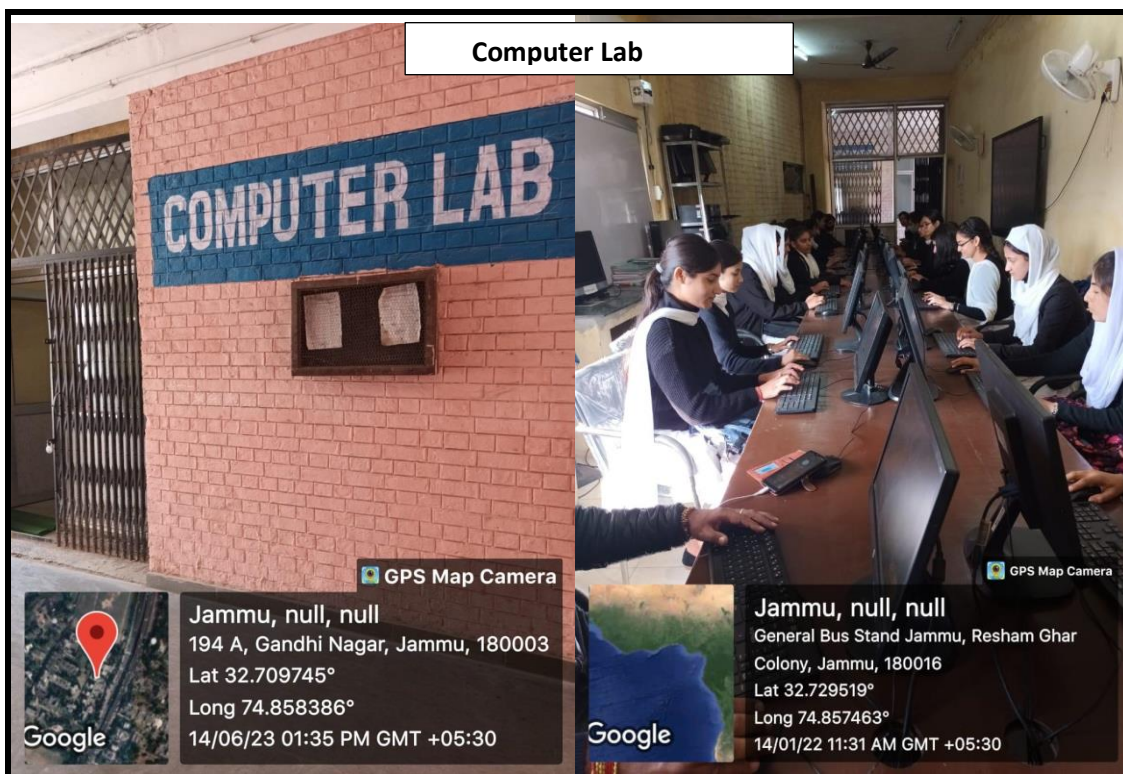

Table: Room wise details of Arts Block.

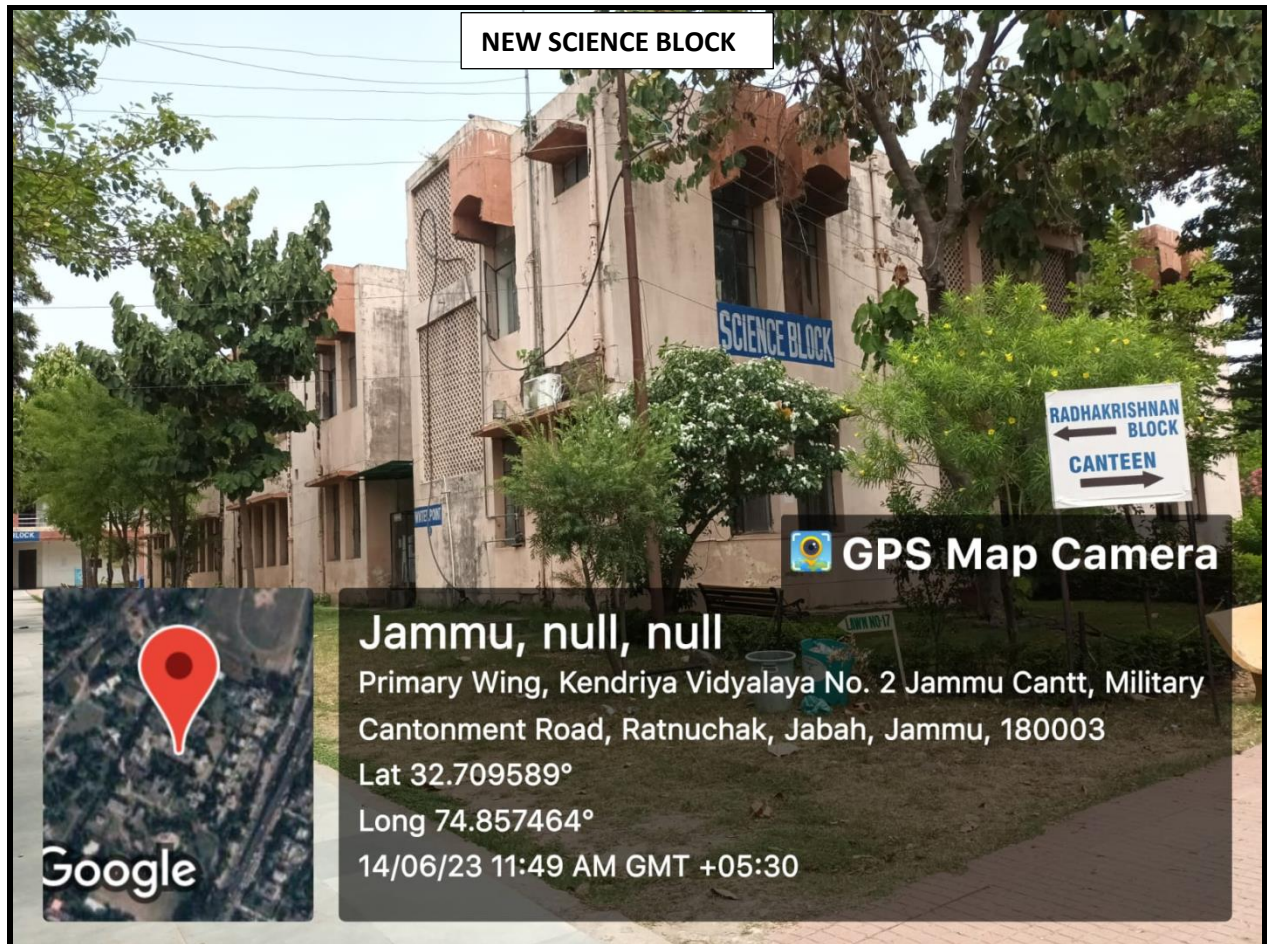

S. No	Room No.	Utility	Remarks
Ground floor			
1.	AB 01	Classroom	Dimensions 35' X 24' Seating capacity around 80 students
2.	AB 02	Classroom	Dimensions 35' X24' Seating capacity around 80 students
3.	AB 03	Classroom	Dimensions 35' X24' Seating capacity around 80 students
4.	AB 04	Classroom	Dimensions 35' X 24' Seating capacity around 80 students
5.	AB 05	Classroom	Smart board, fully air-conditioned

			Dimensions 35'X24' Seating capacity around 80 students
6.	AB 06	Classroom	Dimensions 35 ft X24 ft/ Seating capacity around 80 students
7.	AB 07	Classroom	Dimensions 35' X 24' Seating capacity around 80 students
Extra Facility Available in Ground Floor (Arts Block)			
8.	Water Point Near Room No. 01	Clean drinking water available for students and staff	With filter and cooling system
9.	English Department opposite Room No. 02	For lecture preparation of english faculty	Fully furnished
10.	First Aid Centre Opposite Room No. 03	First Aid facilities available	With one bed for emergency purposes. Fully furnished with First Aid Facility
11.	Staff Room opposite Room No. 04	For Lecture preparation of male members of faculty	Fully furnished and air conditioned
12.	IGNOU Study Centre Opposite Room No. 07	To facilitate students studying through IGNOU	Fully furnished
13.	Department of Computer application Staff Room	For lecture preparation	4 computers , 3 printers with BSNL wifi facility. Air conditioned. Biometric attendance for staff available.
14.	Computer Application Lab	For Students of Computer application	Equipped with 25 computers with wifi facility. Fully air conditioned
15.	Female Toilet complex Near Computer Lab	For Students	Total cubicles 06
16.	University Section	To facilitate students regarding University related matters	Fully furnished. Computer with printer and Internet facility available
17.	Fee Counter on back side of AB 04	For fee deposition	Fully furnished Computer and printer

First Floor			
18.	AB 08	Classroom	Dimensions 35' X 24' Seating capacity around 80 students
19.	AB 09	Classroom	Dimensions 35' X 24' Seating capacity around 80 students
20.	AB10	Classroom	Dimensions 35' X 24' Seating capacity around 80 students
21.	AB 11	Classroom	Dimensions 35' X 24' Seating capacity around 80 students
22	AB 12	Classroom	Dimensions 35' X 24' Seating capacity around 80 students
23.	AB 13	Classroom	Dimensions 35' X 24' Seating capacity around 80 students
24.	AB 14	Classroom	Dimensions 35' X 24' Seating capacity around 80 students
25.	Moot Court Room	For Political Science students	Fully furnished with courtroom setup for Demonstration
26.	Career Counselling Cell Opposite Room No. 08	For Career council cell committee members	Fully furnished
27.	Examination section/ Opposite Room No. 10	For examination committee of college	Fully furnished
28.	NSS Room Opposite Room No. 12	For NSS units I and II	Fully furnished
29.	AB 15	Classroom/Cultural Centre	Dimensions 35' X 24' Seating capacity around 80 students
30	Language Club	Activities of Language Club	Fully Furnished

NEW SCIENCE BLOCK

It is a two storey building, holding the Department of Chemistry on the ground floor and Departments of Physics and Statistics on the First floor. It holds spacious laboratories of Chemistry, Statistics and Physics Departments, a classroom for statistics and washrooms for staff. In addition, it has a small research lab for faculty, a scholarship room, Science Club, Institution Innovation Cell (IIC), Incubation Cell and Skill Development Cell.

Water Points:

Fresh cool drinking water is also available at eleven **water points** for the students.

First Aid Centre:

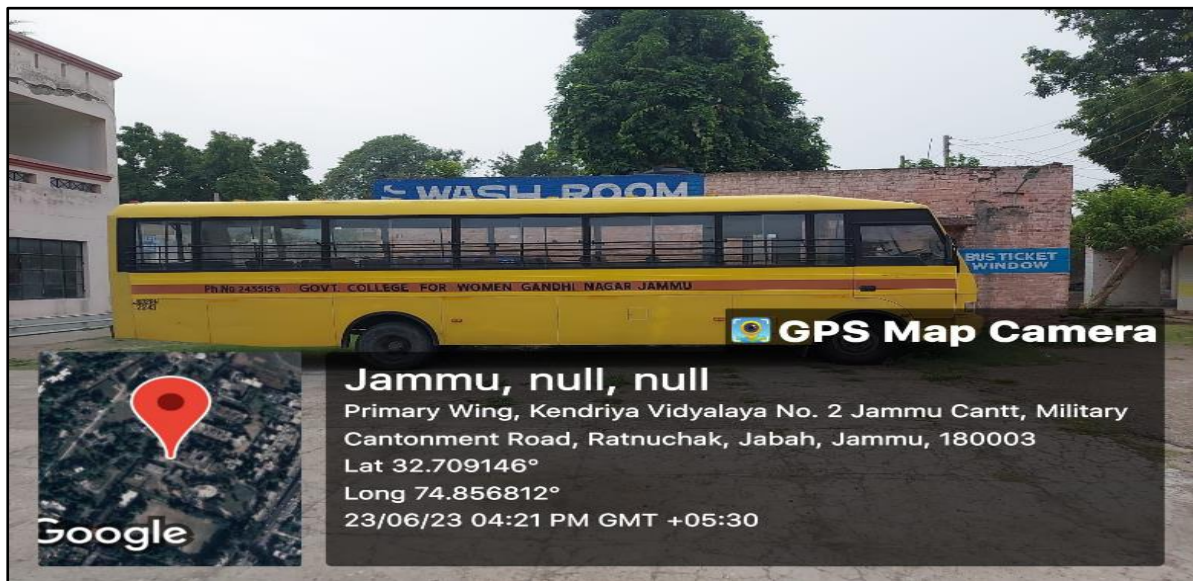

The first aid room is stocked with essential medical supplies and equipment, including bandages, antiseptics, antipyretics and first aid kits. These supplies are readily available for use in case of emergencies. A trained medical assistant is available in the first aid centre.

College Bus:

College has a 40-seater bus which is utilized for various outreach activities. It is often used to transport students to and from campus events, such as sports games, concerts, lectures, and cultural activities. This ensures that students can participate in various events without

worrying about transportation. It is operated by a trained driver. A van is also available with the Home Science Department of the college.

Power Backup:

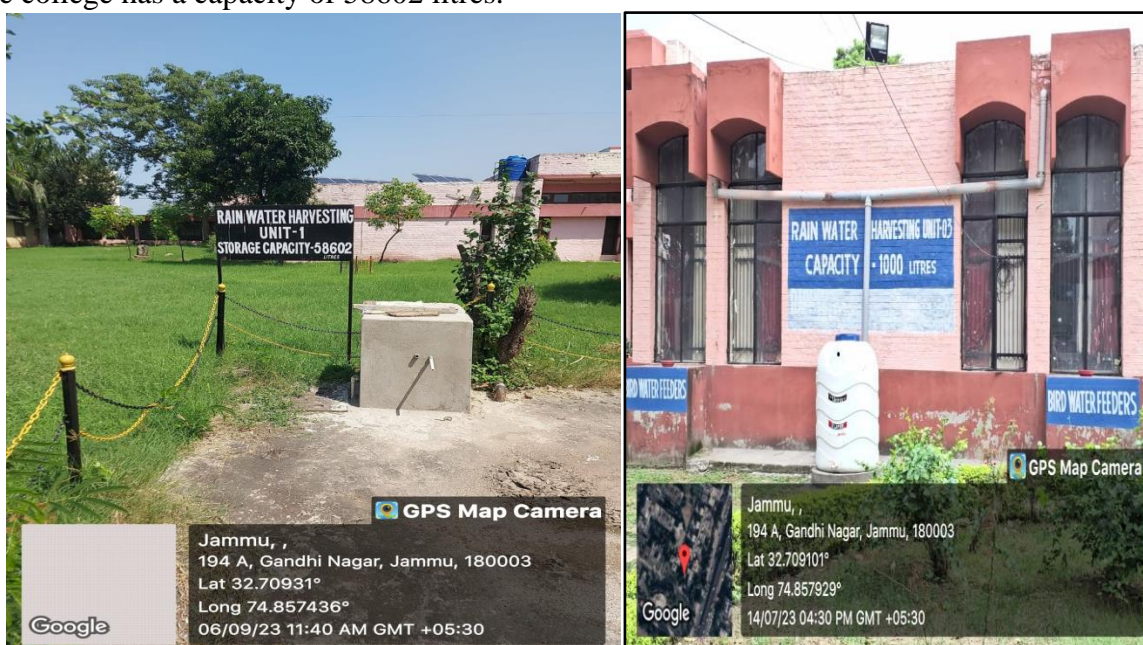

College has four generators as power backup systems which provide electricity in case of outages or disruptions from the main grid. They support campus events, conferences, workshops, performances, and other activities, ensuring that they can proceed as planned without disruptions.

Rain water Harvesting System:

The College is committed to responsible water management and follows a sustainable and eco-friendly practice of rain water harvesting that involves collecting, storing, and utilizing rainwater for various purposes. There are four water harvesting units for harvesting rain water which is then utilized for irrigation of the campus lawns. The largest water harvesting unit of the college has a capacity of 58602 litres.

Part C: Other student support infrastructure/Clubs/Cells:

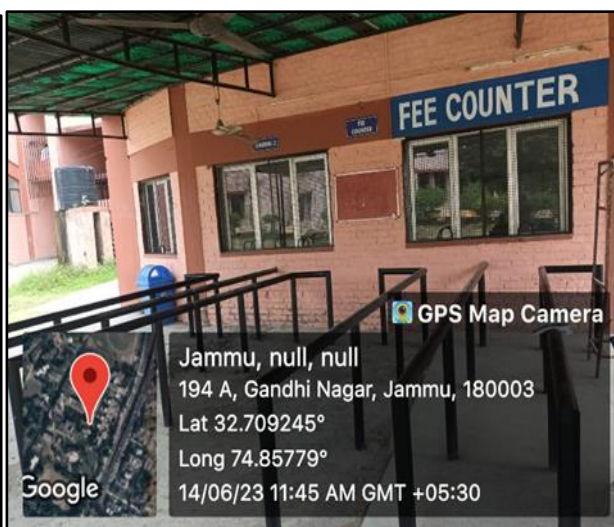

Scholarship room:

Scholarship committee headed by its convenor executes the work related to student scholarships such as accepting and verifying the forms. For this purpose, the scholarship room is utilized by the committee.

University section and Fee Counter:

This section of the college deals with submission of admission forms, issuance of Roll no, Marks sheets and Degree certificates to the students. In addition there is a fee counter to facilitate students.

Examination Cell:

The Examination cell ensures smooth conduct of minor as well as major examinations of all the subjects. All the aspects of examination are dealt by the examination cell which includes committee members and convenor.

Technician's Room:

A separate technical support room is designated within the college where technical personnel and technicians perform various tasks related to equipment maintenance, repairs and other technical functions. The room is equipped with the required tools and equipment for various maintenance purposes.

Moot Court:

For providing practical training to the Political Science students of the college regarding court functioning, court proceedings, civil and criminal justice system working; a moot court has been set up in the college.

Internal Quality Assurance Cell (IQAC):

An Internal Quality Assurance Cell (IQAC) is functioning in the college which is a quality assurance mechanism. This cell plays a vital role in ensuring and enhancing the quality of education, administrative processes, and overall functioning within the college. The IQAC serves as an internal body responsible for coordinating and overseeing various quality-related initiatives. The IQAC team headed by its coordinator continuously works towards meeting the quality standards as per the UGC norms.

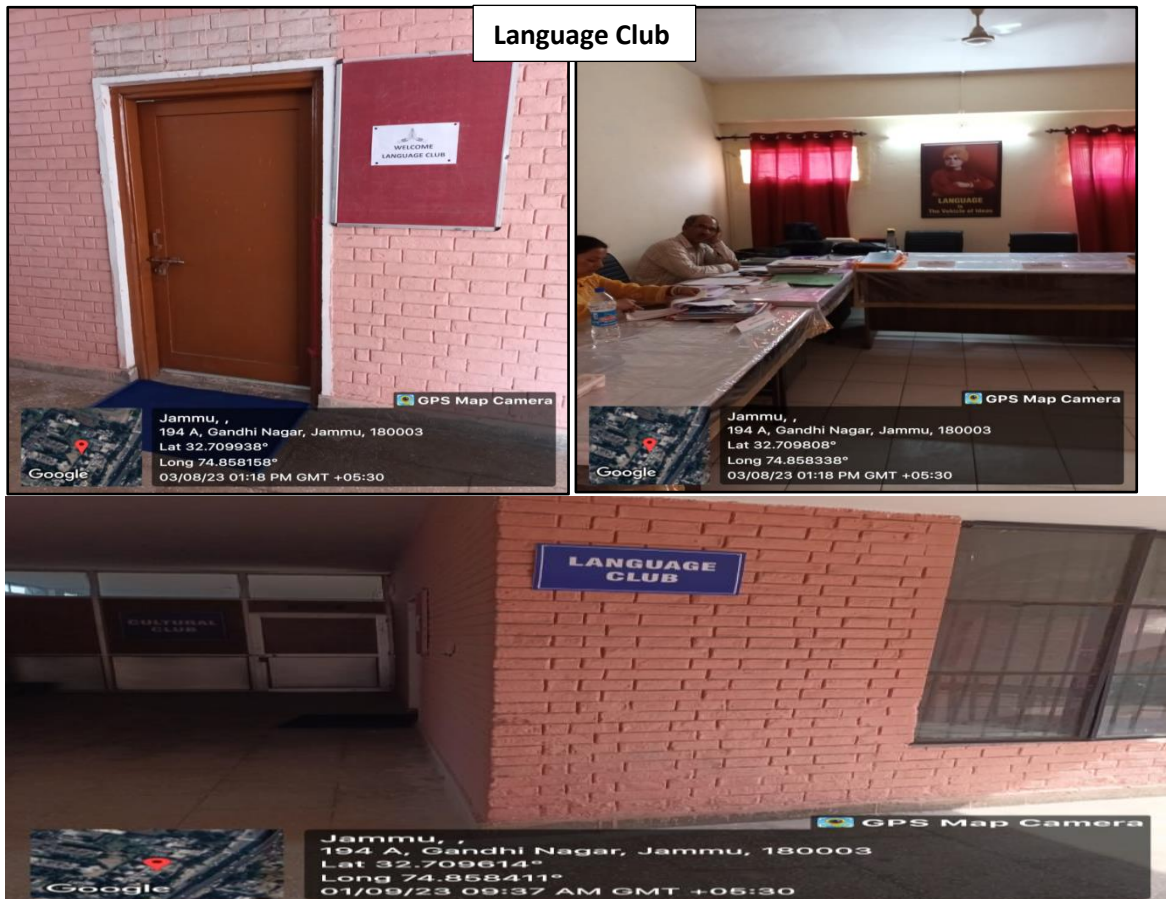

Career Counselling cell:

A Career Counselling Cell is functional within the college. It is a dedicated resource that provides students with guidance, information, and support to help them make informed decisions about their academic and career paths. The primary purpose of this Career Counselling Cell is to assist students in identifying their strengths, interests, and goals, and to help them navigate the complexities of choosing a suitable career and pursuing relevant opportunities. The cell has a team of dedicated faculty members headed by a Convenor.

Language Club:

Language Club within the college promotes language learning, cultural exploration, and communication skill development among the students. It is managed by faculty members from English, Hindi, Urdu, Dogri, Sanskrit and Punjabi Departments. The club provides a platform for students to engage with different languages, improve their language proficiency, and immerse themselves in diverse linguistic and cultural experiences.

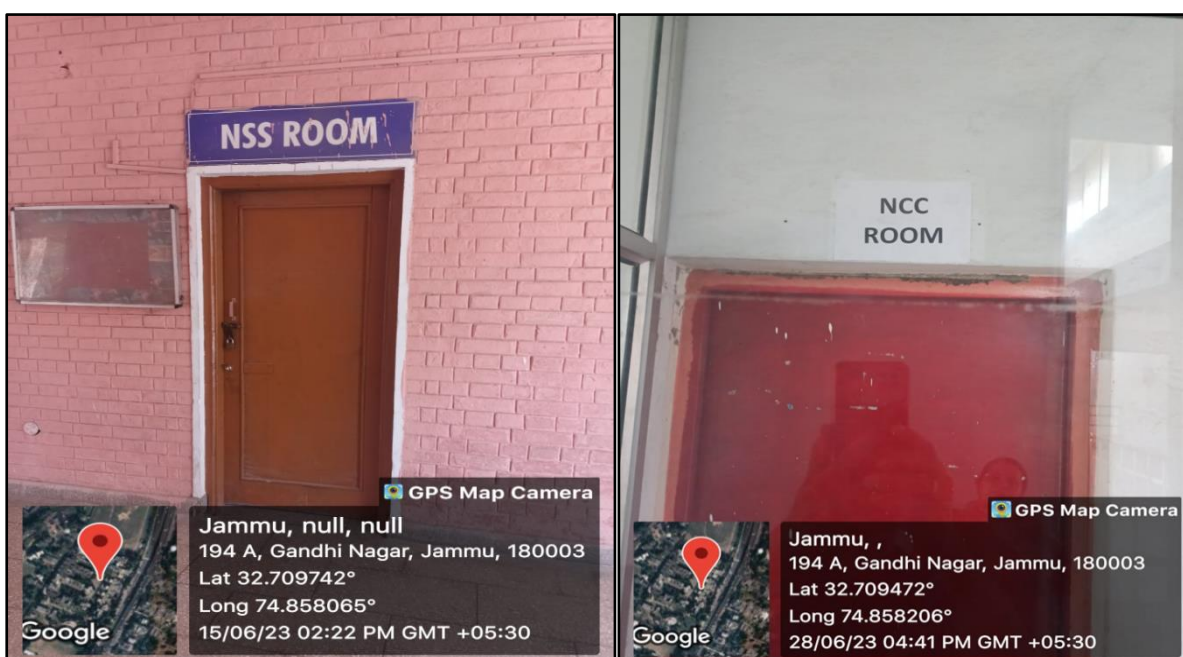

Cultural Club:

Cultural club promotes and aims to encourage students participation in cultural activities to increase their creativity

NSS and NCC Room:

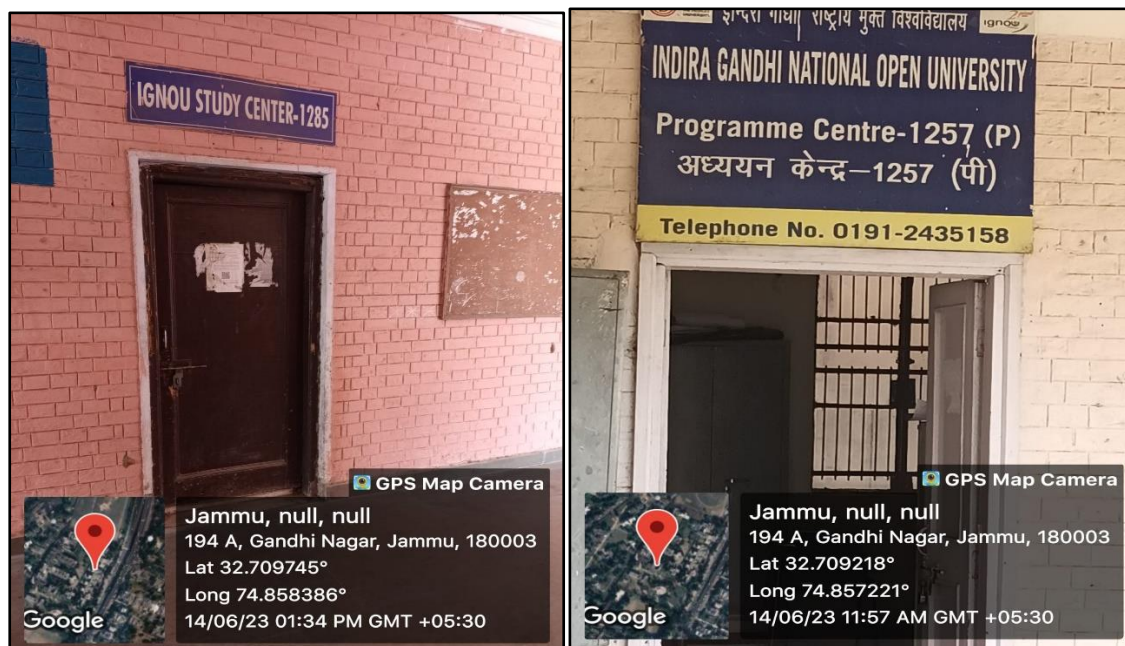

Separate rooms are dedicated to NSS and NCC units of the college. NSS room is located on the first floor of the Arts Block. It is utilized for NSS related activities by student volunteers as well as the concerned Program Officers (P.O.s). NCC room is located in the New Science Block. It is used by the cadets and concerned Assisstant Nodal Officers (A.N.O.s.)
