Clean and Green Campus Initiatives

2018-2023

Quality Green Initiatives

Our college takes immense pride in spearheading quality green initiatives, leading the charge towards a sustainable and eco-friendly campus. With a commitment to environmental conservation and a profound sense of responsibility towards the planet, our institution has undertaken a range of commendable efforts that promote a greener and cleaner future.

One of the flagship initiatives of our college is the widespread adoption of renewable energy sources. Our campus is adorned with solar panels.

Water conservation is another crucial aspect of our green initiatives. The college has implemented rain water harvesting systems across the campus, allowing us to capture and store rainwater for various purposes.

Our college is also at the forefront of waste management practices. Comprehensive recycling programs are in place, ensuring that paper, plastic, glass, and metal waste are recycled and repurposed whenever possible. Organic waste from the cafeteria and gardens is composted, enriching the soil for campus landscaping and gardening activities.

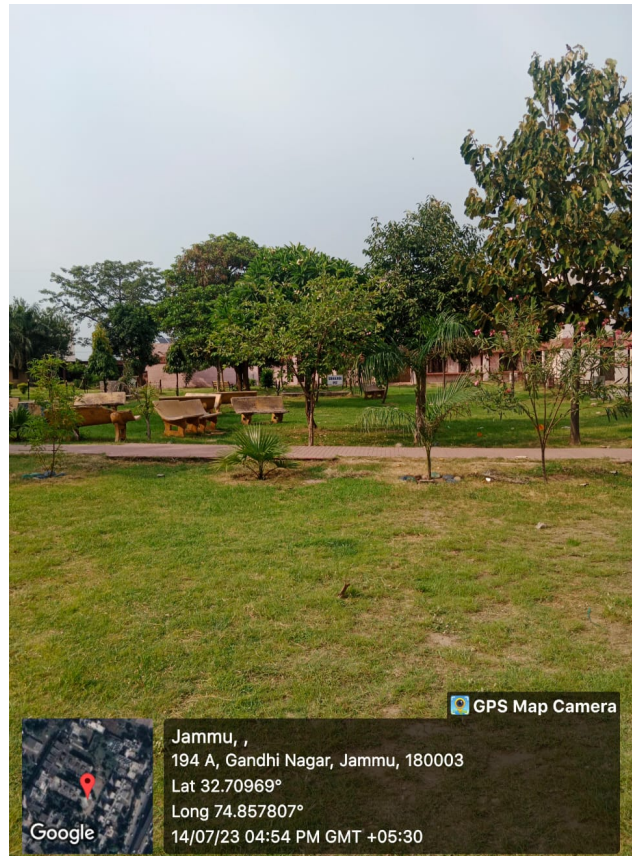

To encourage sustainable commuting, the college has established carpooling schemes to incentivize students and faculty to share rides and reduce the number of single-occupancy vehicles on roads. This not only contributes to reduced emissions but also fosters a sense of community among the participants. Moreover, the college actively supports the use of public transportation by providing discounted passes and organizing awareness campaigns about the benefits of using buses and trains. And also one of the key initiatives is encouraging students and staff to adopt cycling as their

primary mode of transportation on campus.

Beyond campus boundaries, our college has taken up initiatives to raise awareness and promote environmental stewardship in the surrounding community. Regular tree planting drives, cleanup campaigns, and workshop on sustainable living are organized, fostering a sense of environment responsibility in everyone involved.

Through these quality green initiatives, our college has not only become a role model for other institutions but has also instilled a profound sense of environmental consciousness among its students, faculty, and staff. As we continue to push the boundaries of sustainable practices, we are confident that our efforts will inspire positive change and contribute to a healthier, greener planet for generations to come.

Vertical Garden Established By Department of Environmental Sciences in Govt. PG College for Women

Dr. NaziaRasoollatifi Coordinator, Deptt of EVS Cluster University of Jammu an environmentalist from Jammu & Kashmir made a unique vertical garden from plastic bottles with concept of “reuse and recycle”. With an aim to utilize plastic waste, this garden also saves space. Dr. Nazia uses drip irrigation method to water the garden so it saves a lot of water as well. She said, “Plastic is a wonder product and I kept on telling everybody that plastic ban is no alternative and we must focus on proper management of plastic waste. this vertical garden is extremely benefical as it saves space”.

1. On World Earth Day, 7 NSS volunteers were engaged in posters making and collage making on the theme of “saving Earth”. The collage was displayed at different social media platforms.

Projects.

- Students under the project “Best out of Waste” prepared various products.
- Students prepared charts to acquaint themselves with important dates of environmental importance.

Best out of Waste

Cleanliness Drive organized under the banner Azadi Ka Amrit Mahotsav

On 14 March 2022

PRESS RELEASE

Cleanliness Drive organized under the banner Azadi Ka Amrit Mahotsav

Cadets of 1 JK Naval Unit NCC and students of Home Science Department of P S P S Government P G College for Women, Gandhi Nagar, Jammu organized cleanliness drive in the campus under the banner Azadi Ka Amrit Mahotsav. The program was organized under the patronage of worthy Principal Dr. Sangita Nagari. The principal said the main objective of holding such campaigns was not just to clean the

surroundings, but to create awareness among the people on the need for maintaining cleanliness as well. She also said that cleanliness is most important for physical well-being and a healthy environment.

More than 30 Naval NCC Cadets and 50 students of Home Science Department actively participated in an hour-long cleanliness drive in the campus. They cleaned the various areas around Botany Block and Home science Block of the college. They also cleaned the lawn areas of these blocks. The volunteers were having brooms in their hands, dust masks on the mouth and feeling of cleanliness in their hearts. Students cleaned the campus and raised the slogan 'One step towards cleanliness'. The cadets also took oath to keep their home, college and surroundings clean.

Principal lauded the efforts of cadets and also opined that students are the real ambassadors of cleanliness and motivate others to keep the surroundings clean. These drives are a wonderful experience for students to motivate them to contribute their bit to society and they are major role players to raise awareness on the importance of cleanliness in one's neighborhood. The activity was guided by the HOD Dr. Irvinder Kour and staff of Home science Department and ANOS Lt. Dr. Neelima Gupta of Naval Unit NCC of the college.

P.S P.S GCW GANDHINAGAR

Cleanliness drive under Azadi ka Amrit Mahotsav

Three day Signature Campaign on the theme- Say No To Single Use Plastic from 26th -28th March 2022

Three day Signature Campaign on the theme- Say No To Single Use Plastic was launched from 26th - 28th March 2022 by Eco-Club in collaboration with NSS Units of Padma Shri Padma Sachdev Govt. P.G. College for Women Gandhi Nagar Jammu. The campaign was organized to enforce Action Plan for Elimination of Single Use Plastic in Constituent Colleges of CLUJ. Dr. Sangita Nagari, Principal of the College pioneered the launch of Signature Campaign on 26th of March, 2022 in the presence of Faculty and Students.

Speaking on the occasion, she appreciated the efforts of members and students of Eco Club, NSS volunteers and Single use plastic elimination Squad of the College for launching such a campaign to spread awareness about the menace caused by plastic waste and stressed that more such events should be organised to raise awareness about environmental issues.

Prof. Mala Bhasin, NSS Programme Officer sensitized everyone about harmful effects of plastic on human health and environment.

Prof.Nisha Bhagat, Convener Eco-club in her address to the gathering emphasised on using eco-friendly products in place of single use plastic commodities. She said simple changes in the lifestyle can bring big changes in beating plastic pollution.

The event was coordinated by the members of Eco Club- Prof. Eisha Gohil, Prof. Shivani Sawhney, Prof. Sugandha Mahajan, Prof. Swarn Singh, Prof. Basharat Hamid and Prof. Rajnesh Kumar.

“Impact of Plastic Pollution on Aquatic Life” on 29th March,2022

Eco-Club, Padma Shri Padma Sachdev, Govt. P.G. College For Women,Gandhi nagar,Jammu organized a Poster Making Competition for the students on the topic-“Impact of Plastic Pollution on Aquatic Life” on 29th March,2022.The program was held under the aegis of Action Plan for Elimination of Single Use Plastic from constituent colleges of CLUJ.The programme was conducted under the patronage of Principal Dr.Sangita Nagari. She laid emphasis on organizing

more such events for spreading awareness on scientific disposal of waste, so that they do not end up into water bodies. She also appreciated the efforts of the organizing committee, jury members and the participants.

Dr. Indu Khajuria (Associate Professor,Chemistry), Prof.Mala Bhasin (HOD,Botany) and Dr.Vasudha Choudhary (HOD,Zoology) acted as judges for the event. A total of 30 students participated in the competition. Priya Devi of B.Sc.1st Semester, Pallavi Gupta of B.A.5th Semester and Razia Bano of B.A. 5th Semester got first, second and third positions respectively.

The organizing committee- Prof. Eisha Gohil, Prof. Shivani Sawhney, Prof. Sugandha Mahajan, Prof. Swarn Singh, Prof. Basharat Hamid and Prof. Rajneesh Kumar coordinated the event successfully under the supervision of Prof. Nisha Bhagat ,Convener Eco Club.

Promote the value of Environment among the Students

The Eco club of Padma Shri Padma Sachdev Government P.G. College for Women Gandhinagar in collaboration with Department of environmental sciences and School of Sciences, Cluster University of Jammu launched a series of activities to promote the value of environment among the students under the patronage of Prof. Minu Mahajan, Principal of the College. Dr. Nazia Rasool Latifi, a well known environmentalist and educationist was invited to demonstrate the development of vertical gardens in the college. Dr. Rasool delivered talk on vertical gardens, their role in beautification and their aesthetic value. A hands on training of the students was also done to develop a full wall vertical garden in the college. Dr. Minu Mahajan added that vertical gardens are an answer to reuse and recycle the single use plastic for beautification purposes. With the advent of era of concrete jungles the greenery is on a decrease and vertical gardens can solve the issue of plantation drives in building. Apart from having aesthetic values the development of vertical gardens like any other gardening technique boosts the mood of gardener, provides an opportunity for physical activities and socialization. Prof. Minu Mahajan expressed her gratitude to the Ecoclub Team and encouraged the team to organize more such programmes which ignite the sense of care for environment among the students.

Formal welcome address was delivered by Prof. Nisha Bhagat and Prof. Eisha Gohil presented vote of thanks to the participants and dignitaries present in the activity. Dr. Rahul Sharma, Dr. Suraj Mohani, Prof. Swarn Singh and Prof. Shivani Sawhney organized the whole event.

Puneet Sagar Abhiyaan –30 May 2022

Under the nationwide initiative, “Puneet Sagar Campaign” NCC cadets of 1 J&K Naval Unit and 1 J&K Girls Bn Srinagar of PSPS, Govt. PG College for Women Gandhi Nagar Jammu participated in Clean Tawi Campaign. The aim was to propagate the message of “importance of clean sea shores and river banks” amongst the local population and future generation.

More than 30 cadets participated with enthusiasm and vigor in cleaning of the plastic waste along the Tawi River Bank near Vikram Chowk. In addition to cleaning cadets also made deliberate efforts to sensitize people and mobilize support of local populace in preventing pollution of the river bank through one-one contact

Principal of the college Prof Minu Mahajan, lauded the efforts of the ANOs of the college Lt. Dr Revika Arora and Sub. Lt. Dr Neelima Gupta and enthusiasm of NCC cadets for braving the hot and humid weather to fulfill the commitment towards the nation and the environment. She also told the cadets to continue the effort in ensuring cleanliness of River Banks and in raising awareness among other college students and citizen for a cleaner and green tomorrow. GCI Ekta Gupta was also present on the occasion.

PLEDGE

TIME FOR NATURE

➤ Puneet Sagar Abhiyaan on 31st May of 2023

To Commemorate the World Environment Day - 2023, a series of activities were planned by 2J&K Girls Bn.NCC wing of Padma Shri Padma Sachdev Govt. College for Women Gandhinagar, Jammu on 31st May, 2023.

In Poster- Making & Slogan- Writing activity on the theme " Plastic Free India", the 55 NCC cadets participated with full zeal and enthusiasm. The creative exhibition of thought-provoking Slogans and eye-catching Posters inculcated the sense of responsibility in cadets to keep the environment clean and green.

In Symposium on the topic " Plastic- a Bane For Future", 23 NCC cadets aired their views on plastic as a menace and it's impact on marine life and environment. They also suggested measures to reduce its use to achieve the goal of Plastic Free India.

Prof. Minu Mahajan, Principal of the College applauded the cadets and ANO Lt. Suman Bala for being instrumental in organising such activities dedicated to environmental issues and concerns. She also

motivated the young cadets to be the ambassadors for creating awareness among the masses to make India PLASTIC FREE.
