7.3.1 Institutional Distinctiveness

Empowerment of Girl Students through Academics and Life Skills

The mission of the GCW Gandhi Nagar College has always been to empower women by grooming them into a better citizen enriched with self-confidence, perseverance patriotism and above all humanism through a wide variety of activities. Inclusive education in college entails ease of access to the teaching–learning ecosystem, regardless of cognitive or disability challenges and equal opportunities for holistic development. The GCW Gandhi Nagar College adopts the multipronged all inclusive approach for the empowerment and development of girl students of the college through education and life skills and this is the institutional distinctiveness of the college.

I. Skill Enhancement

II. Enhancing Entrepreneurship Skills

III. Extra Curricular Activities

I. Skill Enhancement

1. Courses on Communication Skill and Skill enhancement of Girl Students

Skill enhancement programs are focused on all around training that combines the best practices from education, psychology, social work, sports, and technology training. Through skill enhancement training the girl students improve their overall performance in any identified area and in so doing can improve the overall quality of life.

2. Information and Communication Technology (ICT) and Computing Skills

The Department of Computer Sciences was established in the college for preparing our students to compete with the outer world in a technological era. The course curriculum framed in such away to incorporate the new tools and techniques in ICT with respect to the requirements of the course in industry and outside world.

3. Career Counseling and Placement Cell of College

Career Counseling and Placement Cell of GCW Gandhi Nagar organizes awareness programmes regularly on Career opportunities and Career Counseling for girl's students of the college. GCW Gandhi Nagar Jammu joined hands with industries and corporate world to acquaint students with the market for job and better placement in their life.

4. E-content and E-Resources of College

The College faculty in collaboration with some esteemed educationists developed e-contents of the course curricula prescribed for teaching. The E-Contents developed were made available on the College website for easy access of all the students. Along with it the college is providing free E-Resources access to all the college students in the form of DELNET and N-List and other online digital resources access with free of cost access.

5. Digital Platforms and Empowerment

GCW Gandhi Nagar always updated the students with technology and in the time of COVID College organized a series of webinars, quiz competitions, poster making competitions, etc, in order to keep the students updated and connected with the outside world.

6. EDUSAT Hub

The College has the Pride of being Hub for EDUSAT (the tele-education project for J&K launched by the ISRO). From this hub station the education is imparted to all the SIT'S (Satellite Interactive terminals) of Jammu Province. For the smooth functioning of EDUSAT HUB a studio has been established in the college premises which act as a virtual classroom for 45 SIT'S (Satellite Interactive terminals) for Higher, Technical and School Education Department.

7. Moot Court

Moot court is one of the most exciting and distinctive activity of GCW Gandhi Nagar College. The Department of Political Science in collaboration with IQAC of Government College for Women, Gandhi Nagar Jammu established Moot Court in 2018. The proceedings in the Moot Court mirrored the real-life court proceedings. It also provides guidance to Students in the formulation of RTI and PIL in the case of violation of Fundamental Rights.

II. Enhancing Entrepreneurship Skills

1. Generating Employment through Mushroom Cultivation

Department of Botany established mushroom demonstration center in 2015. Various students have learnt and still learning to rear, cultivate and market the Mushrooms. The mushroom cultivation programme provides entrepreneurial skills to the students by providing them knowledge in the production of mushrooms.

2. Vermi-Compost Farming

GCW Gandhi introduced a vermi-composting initiative aimed at enabling students to become financially independent through an "Earn as You Learn" policy. The vermin-compost initiative promotes sustainable practices by utilizing organic waste as valuable resource for generating high quality compost.

3. Organic Farming

Organic farming is one of the unique initiatives taken by the GCW Gandhi Nagar to provide an opportunity for the hostellers to engage in organic farming activities along with their studies. This proposal is a small scale project i.e. organic farm for the hosteller under earn as you learn scheme with an objective to channelize the energy and time of the students towards creativity and skill development in addition to their academics

III. Extra Curricular Activities

1. Sports Ground for Girls

The GCW Gandhi Nagar has exclusive ground for girls; in this ground the girl students learn a sport which teaches girl students to face failure moments and helps them. The college has multifunctional play ground for girls that includes Cricket Ground, Athletic track, Volleyball Court, Kabaddi Court, Kho-Kho Court, and Handball Court as Outdoor sports facilities.

2. Life Skills through Yoga, Physical fitness, health and Hygiene

Our institution organizes regular yoga and meditation classes for students and faculty members in order to enhance their physical and mental health. Yoga camps are organized regularly every year “International Yoga Day” is observed in the institution

3. *Gender Equality and Empowerment of Girls through Sports and Excellence*

The sports activities in the college having a positive impact that sports can have on the emancipation of young girls and women has been acknowledged for decades. Participating in sports can help break-down gender stereotypes, improve girls’ and women’s self-esteem and contribute to the development of leadership and strategic thinking skills

4. *College Auditorium*

The Air Conditioned College Auditorium is one of the best auditoriums in Jammu region degree colleges having the seating capacity of 700. The auditorium is not only used for student-centric activities such as Seminars, Awareness Lectures, Debates and competitions but also used for Community work and outreach activities.

5. *Plastic Free Campus*

“Say No to Plastic” slogans are very much common in college and it played a seminal role in educating the students about the pressing needs to conserve the environment through eco-friendly practices.

6. *Adopted Villages*

NCC and NSS Volunteers of the college have adopted the village Bhatyari, Chandu-Chak and Chak-Avtara. The faculty and students carry out mass awareness campaigns in these adopted villages for the social, political and economical upliftment of the villagers. . The students from these adopted villages are empowered with their career counseling and the students from these villages got the exposure of outer world with activities like Nukkad Natak and all.

PSPS Govt P.G College for Women Empowers Students with Free Coaching Classes for Common University Entrance Test

[Gandhi Nagar, Jammu, 13/06/2023] – The Department of Computer Applications and Career Counselling Cell of PSPS Govt. College for Women Gandhi Nagar Jammu, in collaboration with esteemed faculty members, recently organized a series of free coaching classes to prepare students for the upcoming Common University Entrance Test (CUET) for postgraduate courses in Computer Applications. The initiative aimed to equip 6th-semester students with the necessary knowledge and skills to excel in their academic pursuits.

Under the visionary leadership of Prof. Minu Mahajan, the esteemed principal of the college, a total of 16 enthusiastic students actively participated in the coaching classes, which were conducted from May 25th to June 5th, 2023. Prof. Rohit Gupta, the Head of the Department of Computer Applications, served as the dedicated resource person, guiding and mentoring the students throughout the coaching program.

27

The coaching classes were conducted in the state-of-the-art smart classroom of the college, equipped with contemporary audio-visual aids to facilitate effective and engaging learning experiences. Prof. Rohit Gupta leveraged various teaching methodologies to cover essential topics such as computer fundamentals, computer architecture, binary arithmetic, and binary logic. The students benefitted immensely from the comprehensive curriculum and interactive sessions, which fostered a deep understanding of the subjects.

The successful execution of these coaching classes was made possible through the collaborative efforts of the Career Counseling Cell and the Department of Computer Applications. The organizing committee, consisting of Prof. Rajni Kumari (Convener), Prof. Rohit Gupta (H.O.D, Computer Applications), and esteemed members Prof. Renu Rajput, Prof. Malti Rajput, Prof. Suman Bala, Prof. Rajinder Kumar, Prof. Neelam Thappa, and Prof. Sugandha Mahajan, worked tirelessly to ensure the smooth functioning of the program.

Speaking about the initiative, Prof. Minu Mahajan expressed her delight and highlighted the college's commitment to providing holistic educational opportunities for its students. She emphasized the significance of such coaching classes in nurturing academic excellence and enabling students to perform exceptionally well in competitive examinations.

The free coaching classes for the CUET not only demonstrate the college's dedication to fostering educational growth but also serve as a testament to the institution's commitment to empowering its students with the necessary skills and knowledge to succeed in their chosen field of study.

PRESS RELEASE

NO: WCG/12264
Date: 26/9/22

The Department of Political Science in collaboration with IQAC of Padma Shri Padma Sachdev Government P.G.College for Women, Gandhi Nagar Jammu organized a 'Moot Court Trial Activity.' Dr. Pooja Charak (HOD Political Science) warmly welcomed honorable college Principal, Prof.Minu Mahajan, Chief guest Advocate Mrs. Deepali Sharma, teachers and students. She highlighted the importance of moot court sessions and how it helps students to get more aware about various sections and articles related to law and order of the country.

The moot court cases were held under the patronage of worthy College Principal, Prof.Minu Mahajan. She motivated the participants to showcase their talent, skills, confidence and creative vision by initiating their court proceedings in an organized manner. Two moot court cases were presented by students namely, Santosh Kumar Singh VS State Through CBI case and Vishakha and others VS State of Rajasthan case respectively. Around 25 students participated in this activity and presented their respective moot court cases. Proceedings to both the cases were done by participants in a very organized,well researched and proper manner.

In Priyadarshini Mattoo Case, in which justice was provided after 7 tumultuous years, proceedings were held under three judges namely Justice SC Mittal (Sajida), Justice GP Thareja (Vidushi) and Justice RS Sodhi (Nirdosh).The narration part was done by Aastha. Kashish was Priyadarshini's Lawyer and Nazia played the role of accused Santosh Kumar's lawyer.Tapasvini played the role of accused Santosh Kumar. Ragini portrayed the role of Dean of DU for Faculty of Law. Tanvi played the role of Priyadarshini's friend and Anshita was Santosh Kumar's friend. Parthi portrayed the role of Priya's father. The roles of media, camera man, CBI Police and stenographer were played by Simrandeep, Janhvi, Lubna, Anam and Iqra respectively.

In Vishakha and others vs State of Rajasthan Case, which popularised Vishakha Guidelines, the narration part was done by Tabishi. Manleen kour played the role of Judge,Mahroash was the public prosecutor, Sania played the role of advocate. Role of culprit was taken by Sabhiya and role of victim was portrayed by Mahini. Role of Witness was taken by Ayushi and Stenographer role was portrayed by Shweta.

Chief Guest, advocate Mrs. Deepali Sharma also encouraged the participants and college authorities to conduct more such events which boost students morale and confidence and they get more aware about their legal rights as citizen of India. She admired this unique feature of moot court room in our college premises and expressed her gratitude to be invited as a Chief Guest for the moot case proceedings.

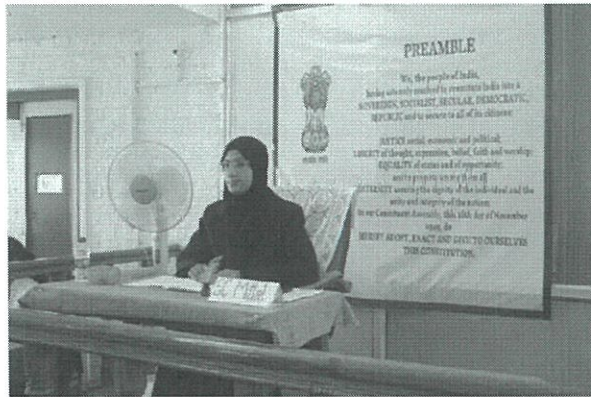

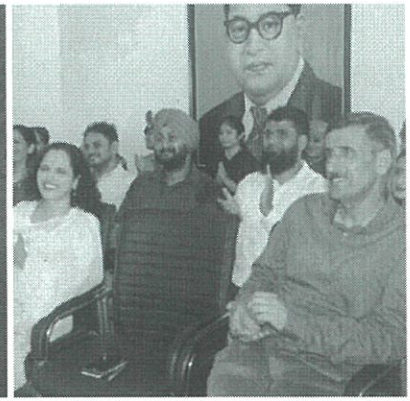

The organized moot court sessions ended by vote of thanks by Dr. Harmeet Singh and students were made aware about various sections and articles in our Indian constitution related to law and order.The activity enriched the students experience and they gained new perspective about how court trials take place and the importance of Indian judiciary as well as the role of media in providing justice.

Prof. Suresh Kumar Bhat (IQAC Coordinator), Prof. Mamta Gupta (Dean Commerce), Prof. Indu Sharma, Dr. Revika Arora, Dr. Seema Arora (HOD English),Dr. Renu Anand (HOD Maths) and Prof. Mala Bhasin (Staff Secretary),Dr. Suraj Mohini Jamwal (HOD Sociology),Prof. Eisha Gohil (HOD Psychology), Prof. Abhinav Sharma,Dr. Roopali Slathia, Dr. Ajaz Ahmed, Prof. Neelam Thapa and members of organizing committee Prof. Paramjeet Singh, Dr. Vandana Sharma along with students, were also present to witness the moot court proceedings.

Student Jasmeen Kour, Sujagya Sharma, Sonakshi Sharma,Muskan Sharma and Priyanka Sharma also extended their help in organizing and coordinating the whole event.

Policy Document: Mushroom Cultivation Initiative

1. Introduction

GCW Gandhi Nagar recognizes the importance of practical learning experiences that promote skill development and financial independence among students. The Mushroom Cultivation Initiative is introduced to provide an opportunity for students to learn and earn simultaneously. This policy document outlines the objectives, implementation plan, and guidelines for the successful implementation of the mushroom cultivation initiative.

2. Objectives

The objectives of the Mushroom Cultivation Initiative are as follows:

- a) To empower students with practical skills in mushroom cultivation.
- b) To foster entrepreneurship and financial independence among students.
- c) To provide hands-on experience in mushroom cultivation.
- d) To promote self-reliance and a sense of responsibility among students.

Overall, the Mushroom Cultivation Initiative aims to provide students with practical skills, entrepreneurial opportunities, and financial independence. By implementing this policy, GCW Gandhi Nagar aims to create a sustainable and empowering learning environment that nurtures students' personal and professional growth through mushroom cultivation. The college is committed to providing the necessary support and resources to ensure the success of this initiative.

3. Implementation Plan

- a) Curriculum Integration: The college will integrate mushroom cultivation into the existing curriculum, offering theoretical and practical courses related to mushroom cultivation.
- b) Infrastructure Setup: Necessary infrastructure, including cultivation units, equipment, and storage facilities, will be established to support the mushroom cultivation initiative.
- c) Training and Workshops: Students will receive comprehensive training and workshops on mushroom cultivation techniques, best practices, and quality control.
- d) Resource Allocation: Adequate resources, such as seeds, substrate, fertilizers, and packaging materials, will be provided to students participating in the initiative.

e) **Monitoring and Evaluation:** Regular monitoring and evaluation will be conducted to assess the progress and impact of the mushroom cultivation initiative.

4. Guidelines

a) **Participation:** Interested students of Botany (Sem I, Sem III, Sem V) will have the opportunity to participate in the mushroom cultivation initiative.

b) **Time Commitment:** Students will be required to allocate a specified number of hours per week for practical sessions and maintenance of mushroom cultivation units.

c) **Sustainability Practices:** Students will be encouraged to adopt sustainable practices in mushroom cultivation, such as using organic inputs, efficient water management.

d) **Sales and Revenue:** Students will have the opportunity to sell the harvested mushrooms and generate income. The revenue generated will be shared as per the "Earn as You Learn" policy, with a portion allocated for the sustainability and expansion of the initiative.

e) **Safety and Hygiene:** Strict adherence to safety and hygiene protocols will be ensured during all stages of mushroom cultivation, including handling, harvesting, and packaging.

Action Plan

Mushroom Cultivation Training for Students on College Campus

Objective: To provide students with practical training in mushroom cultivation, enabling them to develop skills and knowledge in mushroom cultivation.

1. Preparing the Infrastructure:

a. Identify a suitable location on the college campus, such as an unused room with controlled environmental conditions.

b. Set up necessary infrastructure including shelves, racks, trays for mushroom cultivation.

c. Install temperature and humidity control systems to create an optimal growing environment.

2. Skill Development Curriculum:

a. Design a skill development curriculum that comprehensively covers the theoretical and practical aspects of mushroom cultivation.

b. Divide the curriculum into modules, including topics like mushroom species, spawn production, substrate preparation, sterilization techniques, inoculation, cropping methods, pest management, and harvesting.

c. Ensure the curriculum aligns with the academic requirements and time constraints of the students.

3. Resource Procurement:

a. Identify and procure necessary resources, such as mushroom spawn, substrates (e.g., straw, sawdust), sterilization equipment, growing containers, and other materials.

b. Establish contacts with reliable suppliers or mushroom cultivation experts for ongoing support and guidance.

4. Faculty and Staff Training:

a. Arrange training sessions or workshops for faculty and staff members involved in the mushroom cultivation training program.

b. These sessions should focus on developing their knowledge and skills in mushroom cultivation, allowing them to effectively guide and mentor the students.

5. Student Enrollment and Orientation:

a. Conduct an orientation session to explain the program objectives, curriculum, expectations, and any prerequisites for enrollment.

c. Encourage interested students of Sem I, Sem III and Sem V (7-7 students from each Semester) to sign up for the the training.

6. Practical Training Sessions:

a. Conduct hands-on training sessions where students learn and practice mushroom cultivation techniques under the guidance of faculty and staff.

b. Provide step-by-step instructions, demonstrations, and hands-on activities for each module of the curriculum.

c. Ensure students understand the importance of maintaining hygiene, monitoring environmental conditions, and identifying and managing common challenges in mushroom cultivation.

7. Regular Monitoring and Assessment:

- a. Assign projects or assignments to students to assess their understanding and practical skills.
- b. Conduct regular progress assessments to track students' learning and provide feedback for improvement.
- c. Monitor the growth and development of mushrooms cultivated by students, and address any issues or concerns that arise during the training process.

8. Field Visits and Guest Lectures:

- a. Organize field visits to established mushroom farms or research centers to expose students to real-world mushroom cultivation practices.
- b. Invite guest speakers, such as experienced mushroom cultivators or experts, to deliver lectures or workshops on specialized topics related to mushroom cultivation.

9. Collaboration and Marketing:

- a. Facilitate the marketing and sale of mushroom produce from the college campus to generate revenue for the program or student initiatives.

10. Continuous Improvement and Expansion:

- a. Seek feedback from students, faculty, and staff to identify areas of improvement in the training program.
- b. Evaluate the program's success and consider expanding or integrating it into the college's curriculum if it proves beneficial and popular among students.

By following this action plan, you can establish a comprehensive and practical mushroom cultivation training program on your college campus, fostering the development of valuable skills and knowledge among the students.

VERMI COMPOST FARMING - 'KEETMITTI'

"EARN AS YOU LEARN"

SCOPE

- ✦ GCW Gandhi Nagar is committed to providing holistic education to its students, empowering them with the skills and knowledge necessary for their personal and professional growth. In line with this vision, the college is introducing a vermicomposting initiative aimed at enabling students to become financially independent through an "Earn as You Learn" policy. This policy document outlines the objectives, implementation plan, and guidelines for the successful implementation of the vermicomposting initiative.

OBJECTIVES

The vermicomposting initiative has the following objectives:

- **Skill Development:** To provide students with hands-on experience in vermicomposting techniques and foster their understanding of organic waste management.
- **Financial Independence:** To empower students by teaching them entrepreneurial skills through vermicomposting and allowing them to earn profits from their efforts.
- **Environmental Sustainability:** To promote sustainable practices by utilizing organic waste as a valuable resource for generating high-quality compost.
- **Practical Experience:** Students will be actively involved in all stages of vermicomposting, including waste collection, composting, harvesting, packaging, and marketing. This hands-on experience will enhance their practical skills and business acumen.
- **Business Guidance:** The College will engage industry experts and entrepreneurs to provide guidance on business planning, marketing, and financial management. This will enable students to develop a comprehensive understanding of the vermicomposting market and maximize their profitability.

Implementation Plan

- Curriculum Integration: The vermicomposting initiative will be integrated into the existing curriculum, aligning with relevant subjects such as environmental studies, biology, and entrepreneurship.
- Training and Workshops: The College will conduct training sessions and workshops to familiarize students with the fundamentals of vermicomposting, including waste segregation, composting techniques, and marketing strategies.

Earn as You Learn Policy

- Profit-Sharing Model: Students will be entitled to keep 40 percent of the profits generated from the sale of vermicompost products. The remaining 60 percent that will be with the college administration will further be utilised for the maintenance of the compost pit and purchase of the earthworms.
- It is planned that vermicomposting product will also be utilised in the maintenance of the college lawns.
- Reinvestment and Sustainability: A portion of the profits will be reinvested in the vermicomposting initiative to ensure its long-term sustainability. This may include purchasing additional equipment, expanding infrastructure, or organizing awareness campaigns.

Ethical Considerations

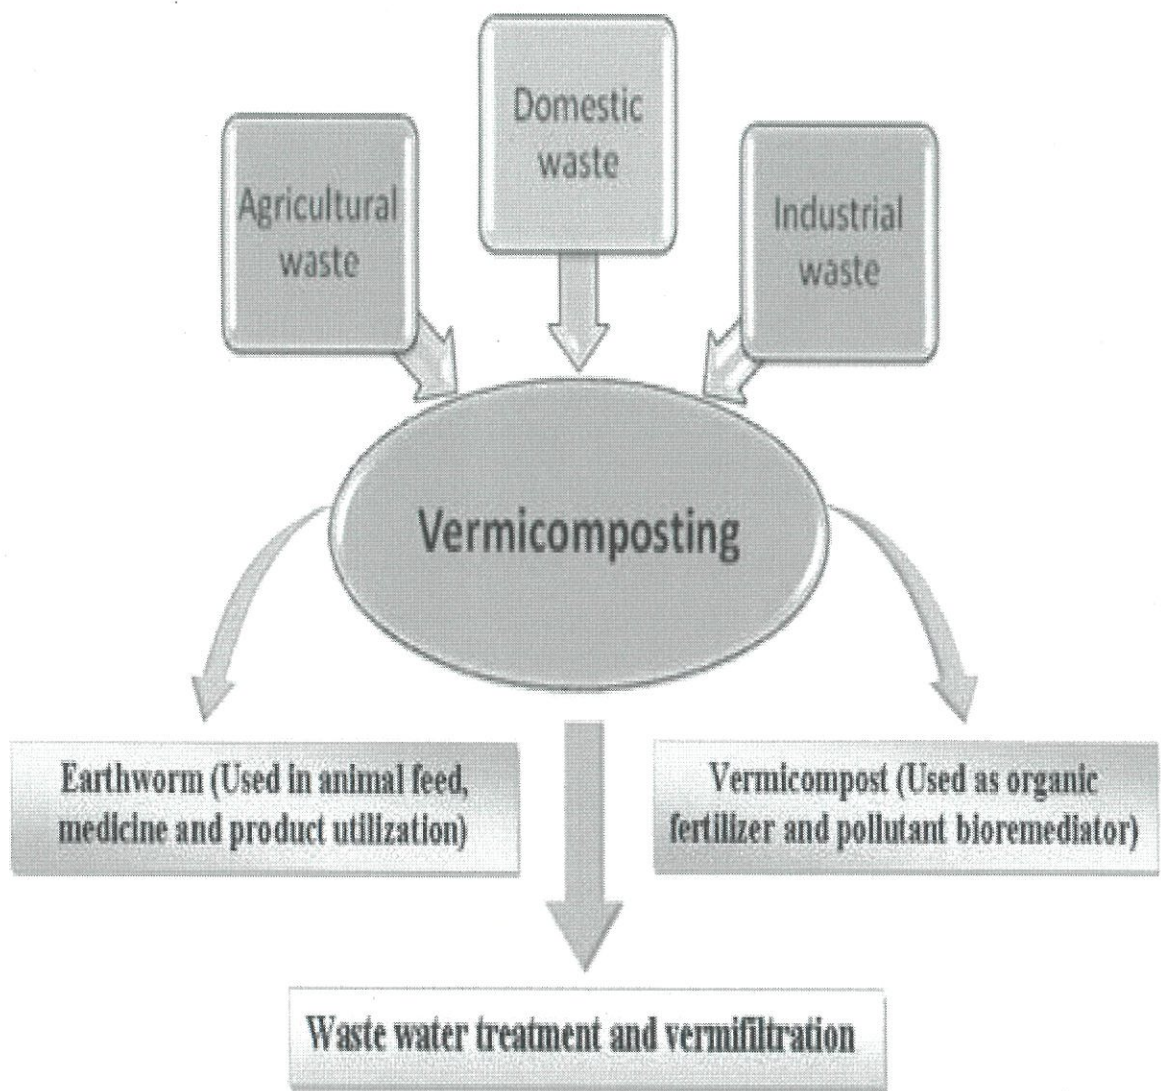

- The college will promote ethical practices in vermicomposting, emphasizing the importance of environmental stewardship, responsible waste management, and fair trade principles.
- Health and Safety: Adequate measures will be implemented to ensure the health and safety of students participating in vermicomposting activities. Proper guidelines and training will be provided to minimize any potential risks.

Monitoring and Evaluation

- Regular monitoring and evaluation of the vermicomposting initiative will be conducted by designated faculty members to assess the progress and identify areas for improvement.
- Feedback Mechanism: Students will have the opportunity to provide feedback on their experiences, challenges faced, and suggestions for enhancing the vermicomposting initiative. This feedback will be considered for future enhancements and modifications.

Future Aspects

- Overall the primary goal of the program is to bridge a gap between education and work, empowering individuals with relevant skills and knowledge and enabling them to build successful and fulfilling careers.
- Raise awareness about vermicomposting and its benefits among the college community and the general public.
- Conduct workshops, seminars, or demonstrations to educate others about the process and encourage participation.

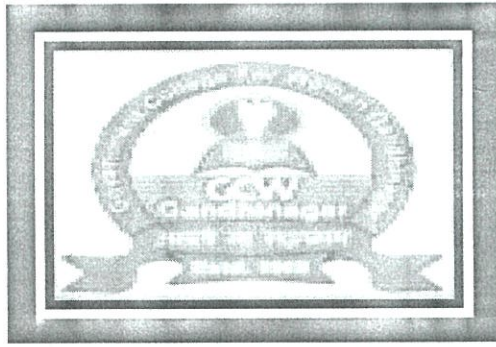

ACTION PLAN

A plan of action is developed for the functioning of Vermicomposting in the college:

- Gather information on the benefits of vermicomposting and its feasibility in the college environment and identify potential location of setting up the vermicomposting unit on the college premises.
- Before registration of the students for the scheme, a compost pit will be set up by the development committee of the college under the able guidance of experts from Zoology department.
- College will provide the initial physical infrastructure required for the vermicomposting unit, including compost bins, bedding materials, worms and equipment for maintaining an optimal environment.
- Create an enrollment process that could include an online registration form or sign-up sheet.
- For enrolment of students wide publicity will be done through notices. A batch of 21 students (7 from each semester) will be selected on First come First Serve basis.
- Faculty members with expertise in vermicomposting will provide technical guidance and support to the students throughout the initiative.
- Faculty members from commerce department will help students in marketing of their products
- Conduct training sessions for enrolled students providing them with guidelines on waste segregation, feeding of worms and harvesting of compost.
- Explore opportunities for expanding the vermicomposting program to other areas of the college.
- Develop partnerships with local organisations to ensure the sustainability of the program.
- Timely review and update the action plan based on the progress and requirements of vermicomposting unit.

Sub: Special awareness cum interaction session on Polythene Ban.

Madam/Sir,

As India holds the Presidency of the G-20 from 1st December, 2022 to 30th November, 2023 and one of the focus of G-20 is **climate change mitigation**. Modern urbanization has put major challenges to whole of the Nation as well as Jammuites. Shrinkage of water bodies due to encroachments, household mulba and flowing of household waste water through nallahs in the water bodies. As we all are aware that plastic waste is major challenge (single use plastic and use of polythene). Furthering, the Agenda of G-20 Environment and climate change, Jammu Municipal Corporation is **banning use of polythene**. For this public participation is very important. Keeping in view this, the Hon'ble Mayor has desired to carry out "Mass Movement on Banning Polythene". Accordingly, Hon'ble Mayor will chair an awareness cum interaction session with the students of your college on 27-04-2023. A documentary will be shown to the students/participants. A debate programme shall be held in which 04 (four) students will take part where each student will speak for 5 minutes on the topic **why polythene to be banned**. Head of the institution will decide 1st, 2nd and 3rd and Hon'ble Mayor to distribute certificates to the students. As such you are requested to arrange a program for the same on 27-04-2023 at 11:30AM in your college auditorium. It is also impressed upon that all students of your institution to participate because it is a movement and not an event.

Sh. Vijay Kumar G/CASO (9596952565) Jammu Municipal Corporation will be the liaison officer from Jammu Municipal Corporation.

Polythene dominates threats to environment across J&K: Jammu Mayor

JMC collaborates with PSPS College, organises interaction session on Polythene Ban

■ STATE TIMES NEWS

JAMMU: Highlighting major challenges posed due to modern urbanization, Mayor Jammu, Rajender Sharma on Thursday said that polythene is dominating the threats to environment across J&K.

He said that plastic wastes are not decomposed even for decades together and cause irreparable loss to the environment and soil fertility and joint efforts are needed to curb this menace.

Speaking at an awareness cum interactive session on 'Polythene Ban - a mass movement', the Mayor reiterated that a polythene carry bags and polythene products are major challenge in modern lives as trapping animals, especially stray cows and human health and a blanket ban on plastic products and polythene bags as initiated by Jammu Municipal Corporation (JMC) as per G20 objectives is the only solution.

He encouraged the students to be part of the campaign against poly-bags and plastic and 'work for the welfare of your own region as plastic is endangering environment and human health here besides causing numerous health hazards to animals, especially stray cows.'

The programme was organised by Waste Management Committee and G20 Club of Pabna Shar Pabna Vasthly (PSPS) Govt. College for

Mayor Jammu, Rajender Sharma posing with women, faculty and other dignitaries
